Action

When possible, access to the Shoemaker Field should be through the southeast corner entrance where protective matting is in place.

Vehicles are allowed to cross the track only in areas that are protected by mats. Gators and golf carts are the only vehicles allowed to drive on the track surface without additional surface protection. Gators and golf carts should be driven only on the outer three lanes of the unprotected track surface. Gators and golf carts may not make a u-turn or sharp turns on the track surface. All sharp turns should be made
