

## Veterans Benefits Reporting Form 2024 - 2025

The purpose of this form is to collect information from you about any Veteran Benefits you will be receiving. **If we know about your anticipated benefits early in the financial aid process, it will help us avoid the need to revise your financial aid award later in the year.** This will be helpful to you, since it will give you a better idea of the final amounts of your financial aid earlier in the year.

If you are a veteran or the dependent of a veteran and plan to receive Veteran Benefits to help pay your educational expenses, please review Messiah University's policy on benefits entitled [Military Benefits and Institutional Financial Aid](#)
