

GUIDELINES FOR STUDENT OWNED ON-CAMPUS BUSINESSES

All students wishing to sell products or services on campus must register with the Office of Student Engagement. This is accomplished by completing the Student Owned On-Campus Business form. Please note that approval of a student owned business on campus must be obtained from the Director of the Office of Student Engagement before commencement of business operations. Any student owned businesses that have not followed this policy for approval will be required to stop operations until this process is completed and approval has been received.

Business requests should not be in direct competition with operations of any Messiah University owned and operated businesses, including, but not limited to Dining Services (food, beverages, etc.) The Campus Store (books, clothing, apparel, etc.)
